COMMITMENT SECURITY

**IN ORDER TO FOSTER A SAFE AND SECURE AIRPORT ENVIRONMENT,
AÉROPORTS DE MONTRÉAL IS COMMITTED TO:**

SECURITY CULTURE & COLLABORATION

**Promote a culture of security
and vigilance by:**

- / raising awareness of security issues among its employees and partners.
- / facilitating exchanges, communication and collaboration with partners and the airport community.
- / strengthening its links with regulatory entities, local partners and law enforcement agencies.
- / educating the community about its security responsibilities and the risks associated with its airport operations.

CONTINUOUS IMPROVEMENT

**Continuously adapt its airport security
program and processes by:**

- / implementing plans and procedures inspired by national and international best practices, in compliance with applicable laws and regulatory requirements.
- / demonstrating a high level of operational readiness allowing for an effective field response.
- / improving its practices through a continuous improvement process.
- / optimizing its security management system by including in the Corporation's strategic decisions any measure designed to manage emerging or identified risks through this system.

PROACTIVE RISK MANAGEMENT

Proactively manage its risks by:

- / carrying out assessments of its inherent risks according to the evolution of the threat and the airport environment.
- / implementing a review process to measure and monitor the effectiveness of its risk mitigation measures.

Because **security starts with us**, let's all work together to achieve security excellence in the day-to-day operations of our airports while ensuring exceptional, safe and efficient services for our users.

Security starts with us!
