Note: Information provided is preliminary and subject to change without notice. The passenger statistics presented include both revenue and non-revenue passengers. The collection of these statistics is done using data available from the Electronic Collection of Air Transportation Statistics (ECATS) initiative led by Transport Canada, with the permission of participating carriers, or processed directly from data submitted to ADM by carriers on a monthly basis. Information on transit passengers (who, after a short stopover, continue their journey on the same aircraft, on a flight with the same flight number as the one on which they arrived) is not compiled by ADM.
