Montreal, October 31, 2012 — Aéroports de Montréal (ADM) is pleased to be part of the first edition of *TASTE MTL*, an initiative of Tourisme Montréal featuring close to 100 Montreal restaurants.

From November 1 to 11, 2012, Cabine M and U bar at Montréal–Trudeau airport will take part in this campaign to encourage Montrealers and visitors to discover the rich variety of the city’s restaurants. For this culinary celebration, top chefs will be offering their best dishes at special prices.

ADM is proud to be associated with a number of initiatives to promote Montreal’s distinctive personality. As part of its Montreal identity program, ADM strives to give the airport facilities a typically Montreal character and contribute to the city’s artistic and cultural development.

ADM is the local airport authority responsible for the management, operation and development of Montréal–Trudeau and Montréal–Mirabel international airports since 1992. The Corporation employs 650 people at both airports.
